**LANGUAGE APTITUDE TEST FOR INTERNATIONAL APPLICANTS –
ORAL**

Interview

The interview takes place on Skype and will be conducted by two English-language teachers from the faculty.

a) Interview based on your motivation letter

In this task you will be asked about some of the points you wrote about in your motivation letter.

b) A conversation based on a picture

In this task you will participate in a conversation based on a picture from a children's book.

c) Finish the sentence ...

In this task you will be given some unfinished sentences and you will need to think of ways to complete them and then carry on with the topic.

Assessment:

In this language aptitude test we are interested in applicants' general level of English and how they can express themselves or respond to new situations. We would like to find evidence that the applicants are capable of completing an academic programme held in English. We are especially interested in whether applicants have the necessary vocabulary and fluency.
