Please **select your mobility type**. Choose carefully, if you pick the wrong one you'll have to start over.

A „Semester Mobility”-t kell kiválasztani

Semester Mobility

Discover a new culture and gain new experiences by going on **traditional academic mobility of between 2 and 12 months** at another higher education institution! Be sure to check out the possibility to upgrade your mobility experience with optional virtual components (e.g. online courses) next to your academic experience on campus.

Blended Mobility with Short-term Physical Mobility

In case regular semester mobility is too long or otherwise inaccessible for you, experience short-term blended mobility! This format foresees between **5 and 30 days of physical mobility** at another higher education institution **combined with a compulsory virtual component**.

Short-term Doctoral Mobility

Develop your skills and find contacts by going on **short-term doctoral mobility of between 5 and 30 days** at another higher education institution! To enhance the synergies with Horizon Europe, doctoral mobilities can also take place in the context of Horizon Europe funded research projects.

Commitment Preliminary

By digitally signing this document, the student, the Sending Institution and the Receiving Institution confirm that they approve the Learning Agreement and that they will comply with all the arrangements agreed by all parties. Sending and Receiving Institutions undertake to apply all the principles of the Erasmus Charter for Higher Education relating to mobility for studies (or the principles agreed in the Inter-Institutional Agreement for institutions located in Partner Countries). The Beneficiary Institution and the student should also commit to what is set out in the Erasmus+ grant agreement. The Receiving Institution confirms that the educational components listed are in line with its course catalogue and should be available to the student. The Sending Institution commits to recognise all the credits or equivalent units gained at the Receiving Institution for the successfully completed educational components and to count them towards the student's degree. The student and the Receiving Institution will communicate to the Sending Institution any problems or changes regarding the study programme, responsible persons and/or study period.

Sign and send the Online Learning Agreement to the Responsible person at the Sending Institution for review

Az OLA rendszer az aláírás után email értesítést küld a kari koordinátornak, hogy megtörtént a Learning Agreement elkészítése.

Ha a koordinátor mindent rendben talál, akkor aláírja, ezzel tovább küldve a fogadó egyetemre aláírásra.

Amennyiben nem, úgy azt visszaküldi a hallgatónak javításra.

A mindhárom fél által aláírt Learning Agreement-et le kell majd menteni a rendszerből és a kari koordinátornak emailben elküldeni a PDF dokumentumot az egyéb kötelező mellékletekkel együtt.
