Incoming Students – Practical Studies / Schulpraxis Incomings	710830SPSW (Winter) 710830SPSS (Summer)	ősz, tavasz	tanító	Students get to know various types of schools, their characteristics and some of the current challenges in Austria (in comparison to the students' home countries). Participants are encouraged to mainly observe lessons and reflect on their own educational experiences. They will comment on these experiences and analyse lessons they have observed. Students will explore nonverbal communication, presentation skills and attract the children's attention. A variety of themes will be discussed, e.g. the Austrian school system or different means of assessment and evaluation.	Alkalmazott pedagógiai gyakorlat	TT17NA00A07	tanító	nem	VII
Austrian/Viennese Studies / Landeskunde	710830LAKW (Winter) 710830LAKS (Summer)	ősz, tavasz	tanító	This course was developed to introduce Austria and especially the capital city of Vienna to the Erasmus+ participants. Students will explore facts of Austrian/Viennese culture, history and geography and deepen their understanding of the European Dimension through lectures, personal encounters, excursions, reading, observations and crosscultural communication during the seminar. Emphasis will be on raising awareness of historical and contemporary aspects of Austrian life and institutions, Vienna's demographics, Vienna after WW II, geographical facts and the city's environment, architecture, customs and traditions. Moreover, students will learn from each other by presenting their home countries.	Országismereti beszédyakorlat (angol)	TT17NA01MT20	tanító	igen	VII
