Accommodation:

The city is a proper university city; the city itself is not big, with limited accommodation.

Within the university campus there are student dorms available - usually overbooked; is not easy to get in but possible. For further information please click [HERE](#)

The university recommends booking private accommodation instead. They have a so called [Home Finder Service](#) programme which helps students finding the best accommodation.

According to the International Office, not all students stay in Maynooth, but in Dublin or somewhere along the Dublin-Maynooth trainline. This leaves them easy access to the university and a bigger variety of choices of accommodation.

General information about life in Ireland can be found [HERE](#).

Travel:

The easiest way to get to Maynooth is to travel directly to Dublin via airplane then take the bus or train which takes you to the city in about 30-40 minutes.

Please make sure to check the [Consular Services](#) website for information regarding travel to EU countries.

Studies:

General information about the semesters in Maynooth can be found [HERE](#) (dates, international office etc.).

There is a wide range of courses available for international students on both primary and preschool / kindergarten education. Courses are available [HERE](#) , you can choose from all departments.

Relevant courses for the faculty can be found on the [Froebel Department](#) page.

- The university would like to bring your attention to the start dates of the courses. On this department courses start on the first week of September, while other departments start in the second half of September.
- In addition to this in the Froebel Department there are no courses in November though there are in other departments.

There is no possibility to do placement in the university. Students can participate in observations but can't be rewarded with credit nor grade.

ELTE ensures 600€ / month scholarship to each student travelling to Ireland.
