

Kindergarten Education BA Programme

ELTE

FACULTY OF PRIMARY AND
PRE-SCHOOL EDUCATION

Eötvös Loránd University (ELTE), the oldest university in Hungary, has been making a major contribution to the field of education since 1869. Today this university has a world-class reputation for pedagogy and research. Originally founded as a teachers' college, since 2000 we have continued our work as an independent faculty of Eötvös Loránd University. The Faculty of Primary and Pre-School Education is one of nine faculties of Eötvös Loránd University. Our institution focuses on the early years of education in the subject areas of primary education (age 6 - 10), pre-school (age 3-6) and early childhood education (age 0-3).

Kindergarten Education BA programme

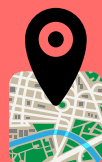

full degree, undergraduate

3 years - fully English

international atmosphere

For Hungarian and International students, we offer a full degree Kindergarten Education BA Programme, in which the language of instruction for the entire programme is English. The programme can be started immediately after graduating from secondary school.

full-time (elte.hu)

A **kindergarten teacher** works with young children from the ages of 3 to 6, promoting children's physical, emotional, social and academic development. Teachers support their free play and instruct them by using enthusiastic and hands-on teaching methods and tools, including games, music, art, books and computers.

STRENGTH OF THE PROGRAMME

- Top institute in Hungary
- Specialisation in Bilingual Kindergarten Education
- Project-based learning
- Kodaly Method of Music Education
- Visual arts
- Sport activities
- Cultural diversity
- Children's literature
- International environment
- Kindergarten teaching experiment

STRUCTURE OF THE PROGRAMME

In this three-year, English-language programme you can study the bases of psychology and pedagogy in an international environment. A specialisation in bilingual kindergarten education is included in the programme.

Programme Structure can be found here: [Kindergarten Education - Programme structure](#)

[Kindergarten practice](#) plays an important role during the entire 3 years. Students have the opportunity to practice weekly in international or bilingual kindergartens.

Watch our [online info session](#) about the programme from the perspective of our international students.

WHY ELTE? WHY HUNGARY? WHY OUR FACULTY?

The faculty is situated in a central, yet green district of Budapest, a vibrant and safe European capital with a rich cultural life. Our faculty offers many activities that are organized for both Hungarian and international students. ELTE CITIZENS are entitled to use all of ELTE's facilities/services.

The buddy/mentor system supports the students in their studies. We have recently started providing additional counseling services to aid students when making lifestyle or career-oriented decisions.

Rich cultural and student life

- Concerts
 - Exhibitions
 - Conferences
 - Children's and student programs
 - Musical Stage programs
 - Faculty Choir
- and countless other artistic, literary, theatrical programs
